

#### SHORTS

Perfect for sailors that want the minimum wetsuit for hot sailing conditions. Zhiktex rear panel and draw string waist.

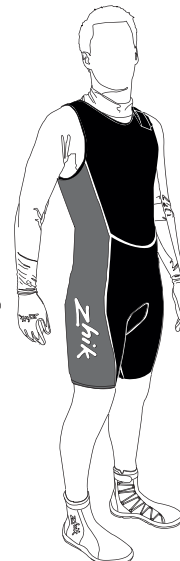

XXXS-XXL

#### PANTS

Popular with skiff sailors in warm climates, the pants style offers full length leg protection and padded knees.

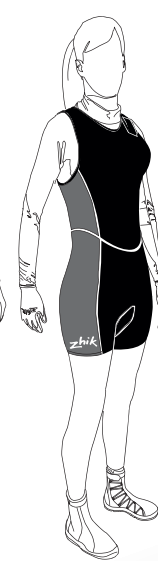

XXS-XXL

#### SPRING

A very popular style for board sailors. Comes in a shorter leg version for women.

Unisex XS- XXL  
Womens XS-XL

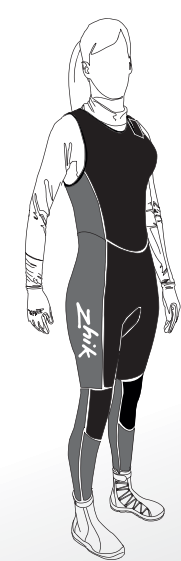

#### SHORT SPRING

#### THREE QUARTERS

The superbly comfortable 3/4 style. Most popular for hiking sailors. Comes in smaller sizes for juniors.

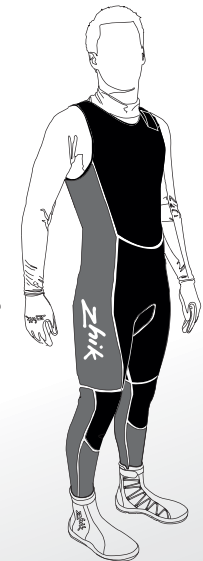

XXXS-XXXL

#### SKIFF WOMENS

The skiff style builds a more complete fit. Preferred by the Zhik team for both hiking and trapezing sailors. Look great in a specific cut for women.

Womens XS-XL

#### SKIFF MENS

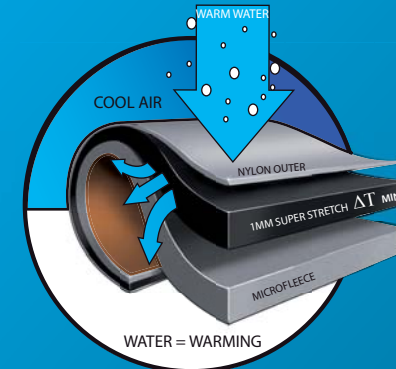

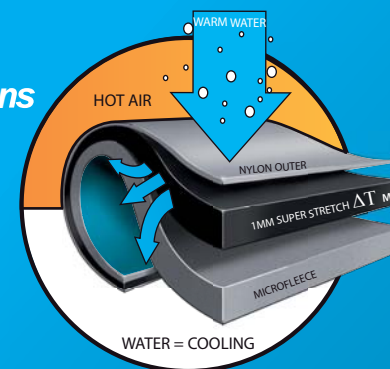

Mens XS-XXXL

## //// MICROFLEECE

- Wide temperature range
- Cool in heat, warm in cold
- Versatile, lightweight
- Works with PowerPads

#### warm conditions

In hot air conditions, the minimised insulation layer in the ZhikSkin helps to promote the water cooling effect.

#### cool conditions

In the cooler air you can feel the fine MicroFleece thermal layer begin to take effect. Water is trapped in the fleece layer, and is warmed by the body.
