## **/////// SUPERWARM**

### **/////// NEOPRENE QUAD LAYER SYSTEM**

#### **1. WEATHER LAYER**

The outer layer is a hydrophobic (water repellent) nylon.

#### **2. INSULATION LAYER**

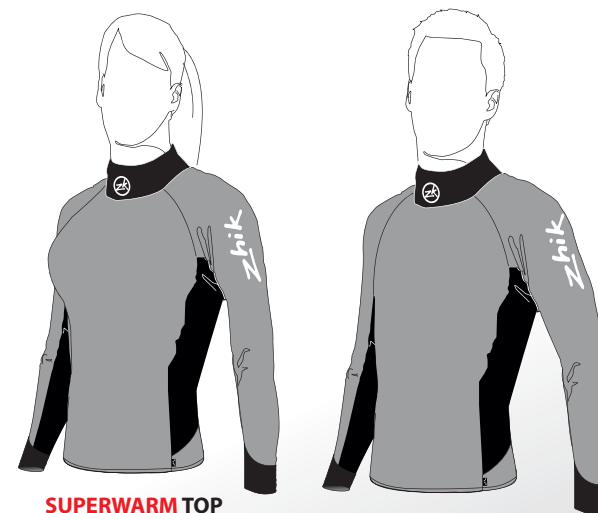

3mm Superstretch neoprene

#### **3. REFLECTIVE LAYER**

Special layer to reflect body heat.

#### **4. THERMAL LAYER**

Superstretch microfleece for optimum thermal dynamics.

#### **SUPERWARM TOP**

Layer up under the skiff for a complete full length suit without any clunky old school zippers. Articulated panels made in super stretch neoprene allow for ultimate flexibility.
